

ERIC Non-Journal List

Currently Indexed
September 2023

A Publication of Institute of Education Sciences

ERIC indexes a wide variety of non-journal sources, including work produced or funded by the U.S. Department of Education and other federal departments; state or local agencies; university affiliated programs; policy organizations; research and non-profit organizations, state and district research offices; federal technical assistance providers; professional associations; international or foreign organizations; book publishers; commercial publishers; institutional repositories; and user submissions. ERIC indexes material produced by these sources that conform to the standard and criteria outlined in the [ERIC Selection Policy](#).

The grey literature and book sources currently indexed in ERIC are listed below. The availability of records for any source is dependent on content provided by the publisher. Click on the hyperlink to see all indexed material from each source. To view the sources by topic area, [click here](#).
